

The California Adolescent Health Collaborative and
San Luis Obispo Public Health Services
present:

Confidentiality and Minor Consent Workshop

Thursday, January 19, 2012

9:00 am -1:00 pm

Veterans' Hall

801 Grand Ave, San Luis Obispo, CA

The workshop will review practice standards and guidelines, policy issues, and other information on minor consent/confidentiality, including an overview of FERPA and HIPAA. Case scenarios for a variety of youth-serving settings will be presented for discussion and questions.

Participants will receive the Adolescent Health Working Group's *Understanding Confidentiality & Minor Consent in California: An Adolescent Provider Toolkit*.

At the end of the training, participants will be able to:

- Identify situations in which an adolescent has the right to consent and confidentiality.
- Explain consent and confidentiality to a minor and their family.
- Better understand rules and laws that apply to record and information sharing between providers and organizations.

Space is limited!
